TICKET INFORMATION AND POLICIES

Seating Priority

Donors of \$250 and above and renewing, continuous Portfolio subscribers get first priority seating, followed by Ballet and Subscriber's Choice subscribers. Renewing subscriptions are due by May 31, 2016 to guarantee the same seats for Portfolio and Ballet series in most circumstances. After May 31, all subscriptions will be seated in order of receipt.

To ensure the best seating, renew your season tickets and make a \$250 or above contribution to Friends of Northrop.

Seating change requests will be done based on availability.

Please Note: Due to stage configuration changes and pit use variations, your seats may not all be in the same spot for all Northrop dance season performances. The best comparable seating will be given when movement is necessary.

Sitting With Another Person/Group

If you would like to sit with another person or group, please submit your order forms together. This will help us accommodate your request.

Accommodations for Patrons with Special Needs

Northrop and presenting partners on our season are dedicated to providing persons with disabilities the necessary measures to allow for a comfortable and enjoyable experience. Wheelchair and companion seating, American Sign Language interpreters, hearing impaired listening systems, and large print programs are available. Please contact the box office with any questions, requests, or concerns.

Prices & Discounts

Series package and single ticket discounts are applied to the base ticket price, before facility and processing fees are applied. Proof of identification is required to obtain these discounts. Limit two discounted tickets per ID.

Additional Single Tickets

Save 10%-15% with your subscriber discount on additional individual tickets to Northrop dance events. Buy now for the best seats before they go on sale to the public, and to ensure that you and your guests are seated together.

Refunds

While we cannot offer refunds unless an event is cancelled, if you can't use your tickets, please call the box office 48 hours in advance so we can convert your order into a tax-deductible donation.

Subscriber Ownership

When you place the season order you will be considered the subscriber and owner of those seats, and the recipient of subscriber benefits for the 2016//17 season.

If others in your group would like to receive subscriber mailings and emails, and be able to pay for their own seats, please notify the box office to separate your order.

Please make sure when placing season orders that each account owner references who they would like to be seated with. If either of you change series we cannot guarantee that you will be seated together.

THANK YOU!
