Why You Follow

Minnesota ELA Anchor Standard: Produce clear and coherent writing in which the development, organization, and style are appropriate to task, purpose, and audience.

Learning Target: The students will be able to describe the performance in their own words, using whole sentences with rich descriptions, lively imagery, and precise details.

Directions: Write a reflection paper that describes the following:

1. What was the performance like?
2. How did you feel while watching the performance and why?
3. What messages might the dancers have been trying to convey in the performance?
4. If you were to tweet in 140 characters what this performance is like, what would you say?
